

International Courses 2018
in cooperation with the University of Zurich

Soft Tissue Management -
modern and innovative clinical concepts.

Location & Dates

Partner	University of Zurich, Switzerland Clinic of Fixed and Removable Prosthodontics and Dental Material Science
Date	Course 1 – March 1 – 3, 2018 Course 2 – June 28 – 30, 2018 with guest speaker Dr. Mario Rocuzzo, Italy Course 3 – November 2 – 3, 2018 with guest speaker Dr. Mario Rocuzzo, Italy

Course outline

Day 1 (afternoon)*

Thursday	Free tour of Geistlich Biomaterials production site in Wolhusen, Switzerland (transfer from/to Zürich)
----------	--

Day 2

Friday	Science & Practice Patient assessment and diagnostics in hard- and soft tissue regeneration Soft Tissue Management prior to implant placement Flap elevation and mobilization Guided Bone Regeneration at time of implant placement (live surgery) Alveolar ridge preservation (hands-on) Soft tissue management before, at time of or after GBR (case presentation)
--------	--

Course outline

Day 3

Saturday	Science & Practice
	Soft Tissue Management after implant placement
	Soft Tissue Management and abutment connection
	Long-term stability of soft tissue augmentation
	Soft Tissue Management for the gain of volume thickness (live surgery)
	Soft tissue management incl. harvesting grafts and handling of off the shelf soft tissue alternatives (hands-on)
	Importance of soft tissue management in implant therapy: options to autogenous grafts (case presentation)

Language English

* please note the free tour of the Geistlich Biomaterials production facility on Day 1 in the afternoon is optional and only available for the March and June dates. Please tick the box on the registration site where indicated if you wish to participate.

Faculty	Prof. Dr. Christoph Hämmerle Prof. Dr. Ronald Jung Prof. Dr. Mario Rocuzzo (Guest Speaker) PD Dr. Daniel Thoma Dr. Marc Balmer Dr. Alexis Ioannidis Dr. Nadja Nänni
---------	---

Course costs	CHF 1'900,-/Participant (excl. VAT) incl. Course content and documentation Group dinner on Day 2 Lunch and coffee breaks Participants are responsible for all travel arrangements and hotel booking.
